OGDEN.

THURSDAY, April 7, 1892.

THE FIRST DISTRICT COURT.

The County Attorney and the Democratic

Majority-General Elections.

In the First district court yesterday, the following cases were made:

In the case of P. H. Alfred et al. vs. Salt Lake City, on motion of Evans & Rogers an

order allowing amended complaint to be

filed.

In the case of Jane L. Warner vs. Eleanor

Harris et al., on motion of W. L. Magnuson

order for publication of summons.

In the case of Estate of Thomas W. Williams

Thompson, on motion of W. H. Seidinger, order

referring to the cause to Charles H. Hart to take

proofs and reports testimony in writing to this

court.

In re accounts of C. S. Varian, order approving

same for the quarter ending March 31, 1892.

In the case of H. P. Patton vs. David Jensen,

order for a decree on report of referee on

motion of Evans & Rogers.

A Probate Order.

Only two orders in probate were made yesterday.

In the estate of Adolph E. Farr, an order

was made to show cause why a sale of certain

real estate should not be made. The case was

set for hearing on May 7 at 10 o'clock a.m. In

the estate of Matthew B. Whisenand an

allowance of \$25 per month was made to the

widow.

The County Attorney.

As yet the vacancy caused by the resignation

of County Attorney E. R. Rogers has not been

filled by the county court, owing to the fact

that the members have been unable to agree on

any one candidate. The standard of a few days

ago took the Democratic members of the court to

task and showed all the blame of the existing

conditions upon them. It says the delay is

entirely unwarranted and due to their stubborn

ness.

It goes on further to say that the court is

composed of two Democrats and two Republi-

cans, and that the majority of the court is

Republican and therefore the Republican are

entitled to have the office.

The other body represents the matter.

In the first place Mr. Rogers was elected by a

majority of the voters of the county, and it is

true that he has lately come out as a Republican.

Again, the county court is not composed of

two Republicans, locally speaking. Judge Bishop supports the Republican party nationally, but in Utah affairs he is a Liberal and has been sympathetic with division on party lines. As to Mr. Fox, he was elected to the office in now occupies on the Liberal ticket for the term of three years, which expires the first of next January. Unlike Judge Bishop, he is in sympathy with the Republicans both nationally and locally.

Now that the Democrats have two members of the court and the Republicans and Liberals each one, why should the office be given to the latter?

The Democratic members were elected by large majorities at the last general election, when the vote of the people was overwhelmingly in favor of democracy, and it is right that they should retain the office.

It is a great mistake to suppose that the "deadlock" exists, nor is it true that the Democratic members will not share in any responsibility, nor be deterred by an impudent minority.

General Cleanings.

G. E. Stranahan will leave for the east to-day, to be gone for about two weeks, for the purpose of liquidating his affairs.

Work has been suspended on the natural

gas in the mine, and the supply of large

SMITHFIELD DEMOCRATS.

They Form an Organization and Listen to

Stirring Addresses.

The Smithfield Democrats have organized a

club, which has for its president James Kir-

chley, vice-president, James P. Low, second

vice-president, A. H. Price, W. G. Raymond,

secretary. As executive committee, E. H.

Miles, J. D. J. Cannell, J. Merrill, A. B.

Chambers, James Lander, N. O. Gillingham,

Richard Hill and J. T. May.

After the organization of the club the mem-

bers and visitors were addressed by Charles

Hart and Prof. Paul, of Logan, who in stirring

eloquence urged the Democratic party nation-

ally, but in Utah affairs he is a Liberal and

has been sympathetic with division on

party lines. As to Mr. Fox, he was elected to

the office in now occupies on the Liberal

ticket for the term of three years, which ex-
